

# UK Pavilion at WHX Labs Dubai 2026

**GAMBICA**

## **GAMBICA**

**GAMBICA** is the Trade Association for Instrumentation, Control, Automation and Laboratory Technology in the United Kingdom. Our insight and influence help our members to be more competitive by increasing their knowledge and impact. Together we remove barriers and maximise the market potential in our industry. Please visit our booth in Hall 3, number D14. Alternatively we can be contacted at [info@gambica.org.uk](mailto:info@gambica.org.uk) or visit our website [www.gambica.org.uk](http://www.gambica.org.uk)

We are delighted to introduce the following companies, exhibiting as part of our **UK pavilion at WHX Labs Dubai 2026**. To find out more about each of our group participants click on their website address or, better still, visit their stand at the show!

Astell

Autoclaves & Steam Sterilisers  
Thermal Liquid Waste Sterilisers & Autoclaves

Astell Bio

[www.AstellBio.com](http://www.AstellBio.com)

**H3.D11**

Established in 1884, Astell Scientific is a leading cross-sector manufacturer and supplier of laboratory, pharmaceutical and hospital Autoclaves/Sterilizers, Steam Generators and Effluent Decontamination systems (EDS), with UK-wide Calibration and Validation Services. Astell products can be found in use in over 100 countries around the world. For more information visit [astell.com](http://astell.com)..

[www.atomscientific.com](http://www.atomscientific.com)

**H3.D10**

Atom Scientific is a leading UK Manufacturer of IVDR Diagnostic Stains & Reagents, Chemicals, Volumetrics, Buffer Solutions, supported by an extensive range of consumables from leading brands.

We offer Simple and Reliable Solutions for Science, servicing customers in over 60 countries throughout the world.

We aim to make our customers experience, friendly, efficient, and focused on their needs.

**H3.D30**

[www.baltimoreinnovations.com](http://www.baltimoreinnovations.com)

Baltimore Innovations are the experts in Moisture Control Packaging, we offer technical consultancy and a variety of products such as: Silica Gel Sachets & Desiccant Canisters, Aluminium Foil Packaging & Roll-stock, Patented Desiccant Plastics, Liquid Absorbers, Oxygen Absorbers, Sustainable Packaging, High-Speed Dispensing Machines for automated production lines and much more.

**H3.D19**

[www.calibrescientific.com](http://www.calibrescientific.com)

Calibre Scientific represents a portfolio of life sciences tools and diagnostics companies, across various key verticals, that have an unrivaled ability to address the unique challenges of their respective markets. Through a combination of acquisitions and organic growth, our global reach extends into over 175 countries, empowering customers all over the world. Headquartered in Holland, Ohio, Calibre Scientific continues to grow across a wide array of verticals and geographies, further diversifying its product offering and global footprint to laboratories around the world.

**H3.D16**

[www.flexmedical-solutions.com](http://www.flexmedical-solutions.com)

Flexmedical Solutions are a Contract Development and Manufacturing Organisation (CDMO) focussed on Point of Care (POC) Diagnostics and Wearables. We specialize in full assay development of the test disposable and offer all science, engineering, microfluidics and manufacturing expertise to help our clients commercialise their products compliantly. Heping our customer create a healthier tomorrow.

**H3.D19**

[www.lornelabs.com](http://www.lornelabs.com)

Lorne Laboratories is the only independent company in England that for over forty years has sought to provide a simple and total solution for Blood Transfusion professionals across the world. Lorne was created by biomedical scientists who believed that the manufacture and distribution of reagents and associated products for blood transfusion could be provided professionally, ethically and with quality at the centre of all that it did. Lorne manufacture and supply Blood Grouping Reagents and Medical Diagnostic kits domestically in the UK and to over 100 countries worldwide.

**H3.D15**

[www.poth-hille.co.uk](http://www.poth-hille.co.uk)

Poth Hille & Co are a long-established manufacturer of histology grade paraffin waxes based in the UK. We can provide a complete OEM service from manufacture, testing approval, design, procurement and filling of printed packaging to stock holding and destination delivery. We offer several pack size options from 1 kilo bags up to 25 kilo cartons

**H3.D30**

[www.priorclave.co.uk](http://www.priorclave.co.uk)

Priorclave design and manufacture an extensive range of research grade laboratory autoclaves with capacities from 40L to 700L. These are among the most energy efficient currently available. The recent introduction of new ranges – BASIC, SMART and PERFORMANCE – simplifies autoclave selection, enabling customers to easily match a standard autoclave to their sterilizing requirements.

**H3.D18**

[www.qlsystems.co.uk](http://www.qlsystems.co.uk)

Quality Lab Systems (QLS) is a manufacturer of high quality benchtop laboratory equipment based in Dorset, England. Our mission is to provide high quality, cost effective laboratory equipment backed by a world class commitment to customer service from our experienced and professional sales and service team.

[www.rapidlabs.co.uk](http://www.rapidlabs.co.uk)

H3.D13

ISO13485 Certified manufacturers of CE Marked Blood Grouping, Rapid Devices, Febrile antigens, latex agglutination assays and biomolecule stabilising and fixing products that are compatible with all biological sample types to be analysed by multiomic methods, molecular and immunologic and histological methods for research applications.

GLOBAL PROVIDER OF QUALITY  
IN DIAGNOSTIC MEDICINE

[www.weqas.com](http://www.weqas.com)

H3.D17

WeQas are a Global Provider of Quality in Diagnostic Medicine. WeQas is one of the leading External Quality Assessment (EQA) providers with over 50 years' experience in Quality Assurance, providing solutions in Laboratory Medicine. WeQas provides over 50 EQA Programmes, including external audit, performance analysis and an educational advisory service.
