

POD STAND APPLICATION FORM

2026 marks the 25th edition of MEDLAB Middle East, now known as WHX Labs Dubai. WHX Labs is the MENA region's leading medical laboratory exhibition and provides a strong central business platform ideal for those looking to explore new markets and/or launch innovative products and services, as well as those who use the event regularly, to strengthen their existing business with the region.

In 2026 WHX Labs Dubai will run concurrently with WHX Dubai (formerly Arab Health and relocating to the Dubai Exhibition Centre) and will occupy more accessible & convenient halls within the Dubai World Trade Centre. GAMBICA are currently holding an excellent location at the front of hall 3 and next to the USA pavilion.

As well as the four day live event, WHX Labs Dubai will again include an online platform, consisting of a two month series of online networking events and tailored trade focus/speciality days and providing targeted opportunities to showcase, present and connect prior to the live event.

GAMBICA has organised the UK pavilion at WHX Labs for over 10 years and the 2025 edition once again met or exceeded expectations for all pavilion participants. More details are available on the event website, click [here](#) and contact Kirsty Roberts for more detailed information about the pavilion, or to discuss participation in more detail.

Why Exhibit with the GAMBICA Pavilion

- A **NEW** excellent group location at the front of Hall 3.
- GAMBICA Information Point, Business Centre & Hospitality ♦ communal meeting area with hot & cold refreshments ♦ information & 'sign posting' point from which all GAMBICA group members are promoted ♦ communication facilities
- Group Promotion – via the GAMBICA website & social media channels. A Guide to the British Companies at WHX Labs is produced & circulated by social media, to our distributor database, British embassies/posts and key contacts, as well as distributed from the information stand.
- Group freight services, and travel/hotel agents. Our recommended agents are trade fair specialists & have worked with GAMBICA around the world for over 30 years. Preferential rates & dedicated, experienced on-site personnel.
- Practical assistance by dedicated GAMBICA personnel throughout the build-up, duration and breakdown of the event.
- In addition to the overall pre show administration of the group, our dedicated event manager can provide advice and support in all aspects of your event participation including access to any government funding available.

Why book a Pod Stand?

- Pod stands are designed to offer a new exporter or exhibitor a very cost-effective opportunity to 'test the water' at this world leading event and require minimal resources. Participants benefit from a full exhibitor presence within the pavilion and as such may take advantage of all organiser and GAMBICA led promotional opportunities and support both before & during the exhibition.
- **Availability is limited. Pod stands are allocated on a 'first come, first served' basis, and are ONLY available to GAMBICA members OR companies which have not participated at a previous edition of WHX LABS / MEDLAB ME.**
- Pod stands are located within the UK pavilion and in easy reach of the GAMBICA hospitality and lounge/meeting areas. Each stand includes carpet, electricity socket, nameboard, lighting, 1 reception counter with logo to front OR glass topped showcase with logo to front, 1 bar stool 2m of graphic display (production & installation, from print ready artwork included). They are suitable for one member of staff and for those wishing to display literature/small products/samples or for service providers.

Offering a VERY cost-effective & resource friendly participation at WHX LABS DUBAI 2026

TO BOOK

Please review the attached Terms & Conditions & complete and return the application form overleaf to book your stand within the GAMBICA pavilion. If you would like to discuss any aspect of your participation at WHX Labs 2026 contact Kirsty Roberts on 07587 081026 or email kirsty.roberts@gambica.org.uk

1. In these conditions “Exhibitor” will mean the company, firm or individual signing this application and, where appropriate, will include their employees and agents. “Organisers” will mean the organisers of the exhibition.
2. The stand must be in the name of a UK registered company.
3. Exhibitors must comply in full with the exhibition terms and conditions, technical guidelines, requirements and other regulations, together with any other relevant national, region or local technical, legal, safety requirements and regulations. A copy of the exhibition terms and conditions is usually available on the event website. Alternatively a copy may be obtained from GAMBICA on request
4. Exhibitors must comply in full with the Organisers’ terms and conditions, technical guidelines, requirements and other regulations, together with any other relevant national, regional or local technical, legal and safety requirements or regulations, and indemnify GAMBICA against any liability which may arise due to failure to follow the said rules. A copy of the terms and conditions may be obtained from the event website or, on request, from GAMBICA.

If applicable, exhibitors must comply in full with Department of International Trade Terms and Conditions of grant support. A copy of the DIT terms and conditions of support is provided on application for a grant.

GAMBICA will not be held responsible for any claim arising out of a failure to comply with the above requirements or regulations.

5. Exhibitors must comply with time limits notified to them by GAMBICA. Goods and services exhibited should be of UK origin; any Exhibitor who wishes to display goods or services, which are not of UK origin, must apply to GAMBICA for permission, with details of the goods or services in advance of the cut-off date.
6. UK export agents may be Exhibitors provided that: (a) they have the appropriate sales franchise for the product concerned, (b) they apply well in advance of the cut-off date, and (c) they provide a signed declaration from their principal confirming that the agent is an accredited representative and that it is understood that this participation will be taken into account when determining the principal’s eligibility for future UKTI support.
7. The allocation of the area and position of stands will be within the sole discretion of GAMBICA. Where necessary, GAMBICA may vary the area and position of stands allocated and payment will be increased or reduced accordingly. Any variations in area will not normally exceed 20% of the original allocated space.
8. Exhibitors may not sublet any space allocated to them nor may advertisements of other companies, firms or individuals be displayed. Only goods and services mentioned in the application form may be promoted.
9. GAMBICA will bear no liability for loss, damage or destruction of any property of the Exhibitor caused other than by the negligence of GAMBICA. GAMBICA will bear no liability for economic loss. GAMBICA will bear no liability for loss or damage sustained as a result of circumstances beyond GAMBICA’s control, including but not limited to, unusual weather conditions, war, hostilities, national emergency, virus outbreak or pandemic, riot, revolution, rebellion, labour disputes or strikes.

If, due to such an event, **cancellation or postponement of the exhibition** is considered necessary by the Organisers or GAMBICA, we would make every reasonable effort to recover costs incurred on behalf of the group. However, GAMBICA will be entitled to retain such proportion of sums paid by Exhibitors as may be necessary to cover unavoidable loss and expense.

10. The Exhibitor will indemnify GAMBICA against any claims by third parties arising from the Exhibitor’s activities during the exhibition. No material, which may present a risk to health and safety, may be brought onto the exhibition site without GAMBICA’s written consent. Exhibitors must obtain insurance cover for the exhibition including public liability, all risks on their property and employer’s liability. This should indemnify the Organisers, GAMBICA and UK Trade & Investment against any claims or costs resulting from personal injury or property damage resulting from the acts of the Exhibitor.
11. **Cancellation of participation, by the Exhibitor before the closing date** will incur no penalty charges.

Should the Exhibitor cancel after the closing date they will be liable for the GAMBICA Management Fee plus any stand related costs or organisers participation fees committed to and/or incurred on their behalf by GAMBICA.

By analogy, this also applies to a reduction in stand area and to cases where GAMBICA cancels the contract as a result of a default of payment by the exhibitor.

The decisive criterion is the date of receipt at GAMBICA of the declaration of cancellation or the date on which the exhibitor falls into arrears respectively.

GAMBICA reserves the right to recover the full costs and to reallocate the space at its discretion.

12. If an Exhibitor commits an act of bankruptcy or goes into liquidation, receivership or administration or any act is done or event occurs which has a similar effect to the foregoing under any applicable law, this contract will be determined and any monies already paid will be retained by GAMBICA.
13. GAMBICA reserves the right to exclude any Exhibitor who is in debt to GAMBICA or whom it considers unsuitable to be an Exhibitor. GAMBICA may require the removal of any literature which contains serious linguistic errors or which is judged to be embarrassing or otherwise unacceptable.
14. GAMBICA may use any grants held by them for the Exhibitor to set-off any monies owed by the Exhibitor.
15. The costs for this event were calculated in January 2023. GAMBICA reserves the right to adjust any increase or decrease in costs due to unavoidable increases in stand costs and/or exchange rate fluctuations. Should the exchange rate of the pound sterling to the currency in which payments to Organisers are required change by more than 2% from the date of application to the date of the Exhibition, based on the Reuters Exchange Rate Service, the payment by the Exhibitor shall be raised or lowered accordingly to reflect any additional or reduced costs to GAMBICA.
16. Should any services be provided to the Exhibitor, over and above the standard electrical connection, including but not restricted to additional electric services, water/air, communications or refreshments, these will be charged for as extra.
17. **Stand Staffing & Displays.** Exhibitors should arrive at least 24 hours before the opening of the event to set up their display, unless agreed in writing with GAMBICA, prior to departure. Stands must be staffed at all times by personnel conversant with the company's products until the organisers published end of the show.
18. Stands must be properly attended at all times the exhibition is open. No exhibit may be removed before the end of the exhibition without the written permission of GAMBICA. All materials must be removed within the period set by the Organisers. The Exhibitor will indemnify GAMBICA against any damage or loss to the structure, building or land occurring during occupation.

Most organisers' Terms and Conditions state that exhibitors' stands be manned for the full duration of the event opening hours. Should the organisers consider that a group stand participant has prematurely 'abandoned' their stand, the participant indemnifies GAMBICA and any penalty charge or fine made against GAMBICA will be invoiced on to the participant
19. **Stand Design for Space Only Exhibitors.** Companies wishing to take space only who are designing and building their own stands MUST advise GAMBICA prior to the closing date. Designs should be submitted as soon as they are available and are subject to approval by GAMBICA. We strongly recommend that companies do not incur costs on design and build until your plans have been agreed by GAMBICA. Stand designs also must be sent, by the exhibitor, to the appointed UK pavilion stand construction company.
20. All companies must ensure that their exhibits and/or internal stand decoration do not obscure the pavilion design features. A full set of drawings and plans (with dimensions) will be provided, but can be obtained from GAMBICA on request prior to this if required. In most cases the maximum height permitted is 2.5 metres.
21. This contract is subject to English law and to the exclusive jurisdiction of the English court.
