

# 1<sup>st</sup> CEMEP Conference

13<sup>th</sup> and 14<sup>th</sup> September 2018

in Wernigerode, Germany

# The CEMEP Organisation

CEMEP is the **European Committee of Manufacturers of Electrical Machines and Power Electronics**. As the umbrella organisation of European drive manufacturers, its members are 12 national associations from across the continent, each representing manufacturers of electric motors, variable-speed drives and uninterruptible power supplies.

CEMEP is active in four fields:

- Low-voltage motors
- High-voltage motors
- Variable-speed drives
- Uninterruptible power supplies

The objective of the organisation is to promote and support the joint interests of the branch in all technical, industrial, economic, environmental and political matters (products, systems and components). It enables the branch to speak with one voice also at European level.

# 1<sup>st</sup> CEMEP Conference

Which global trends are currently affecting the European manufacturers of electric machines and power electronics? Which challenges do they face? How will standardisation and further developments in EU legislation effect the implementation of technological processes in the future?

These are some of the questions which are to be answered by the 1st CEMEP Conference in September 2018. Together with high-ranking industry representatives, we want to illuminate and discuss these issues in their overall political and economic context. At the same time, the conference will be an opportunity to establish new partnerships and to determine future tasks for manufacturers and users.

**Through this conference, the interested participants are invited to contribute actively to the future development of drive technologies in Europe.**

# 1<sup>st</sup> CEMEP Conference

## Date

13<sup>th</sup> and 14<sup>th</sup> September 2018

## Venue

Harzer Kultur- und Kongresshotel (HKK)  
Pfarrstraße 41  
38855 Wernigerode, Germany

## Contact Partner:

Mrs. Isabella Lingner

Phone +49 3943 941513

E-mail [lingner@hkk-wr.de](mailto:lingner@hkk-wr.de)

Keyword for reservations:

**CEMEP 2018 Wernigerode**

# Agenda

## **13<sup>th</sup> September 2018**

15:00 to 18:00 Plenary with executive presentations

19:30 Evening event with dinner

## **14<sup>th</sup> September 2018**

9:30 to 12:00 Session – one for each topic

13:00 to 15:30 Presentation of the results  
of the sessions,  
discussion and conclusion

# Content of the Conference

13<sup>th</sup> September 2018

**Global context impacting CEMEP market**

14<sup>th</sup> September 2018

**New environmental and technological constraints  
towards new industrial behavior and strategy**

# Content of the Conference

13<sup>th</sup> September 2018

## **Global context impacting CEMEP market**

1. Industrial revolution until 2025: the culture of “new”
2. Circular Economy: supporter of the process
3. Market surveillance
4. Measures to support the European manufacturers
5. Global impacts, how do we reach Small and medium sized enterprises
6. Components availability

# Content of the Conference

14<sup>th</sup> September 2018

## **New environmental and technological constraints towards new behavior and strategy**

1. How we can better integrate the customers into the future constraints
2. Supervision of technological processes, control, information transmission, digitalization
3. To pay attention to services and advice
4. Components and systems
5. Education and training: Shortage of mechatronical and electrical engineers, political cooperation (round table)

# The Conference Hotel

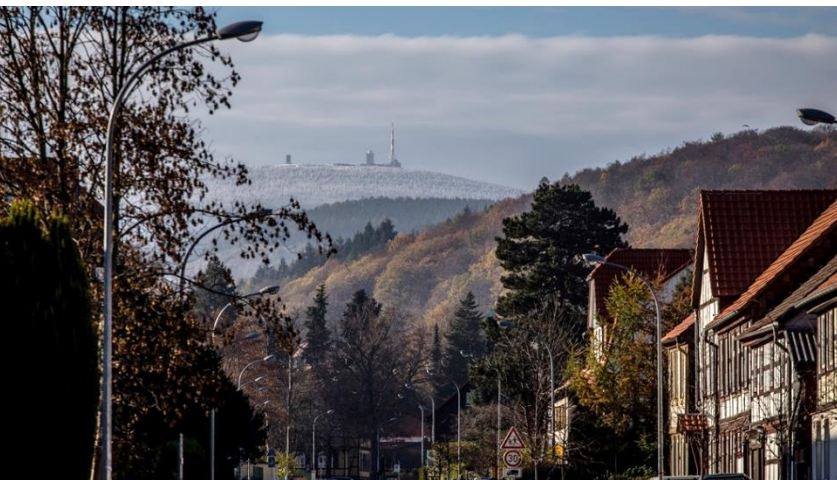

With the HKK Wernigerode, we are able to rely on a very well-appointed congress hotel.

The conference room of the hotel offers seating for up to 330 participants.

# Venue Wernigerode

The town in the foothills of the Harz mountains is located very centrally, not only in Germany, but also in Europe as a whole.

As Wernigerode has been the venue of the technical conferences organised by VEM for the past 16 years, we can entrust our preparations to an experienced organising team.

# Participation Fees

For participating in the conference every attendee (except speakers) will be charged one of the following fees:

1-day ticket	200,00 EUR
2-day ticket	320,00 EUR
2-day ticket incl. social event (on 1 <sup>st</sup> evening)	380,00 EUR

# The “Travelling” Conference

The CEMEP Conference should move every time to another venue location within Europe.

Please apply in time, when you are interested to be the host of the CEMEP Conference!

See You in Wernigerode in 2018
